HERE'S TO BEING AT THE RIGHT PLACE FOR A HOT TIME

Guys have this ongoing fantasy about their babysitter, and fucking the living daylights out of her. These are stories shared with guys and girls over a few beers and deep dish pizza where a few mild exaggerations are often told.

Bopping the babysitter and feeding her some major meat

College ended for the year and I'm now home and bored. My parents are cool, but it's probably going to be another long boring summer. So I took a job at the local supermarket to make some extra money. As I was bagging our neighbor's food, he looked over at me after paying the cashier and seemed surprised to see me. I told him I was working at the store to make a little extra cash.

He left and after another customer, I went outside to round up the shopping carts. Mr. Smith had parked next to the cart corral. As he brought his over, he asked me if I was interested in babysitting a couple times a week. I said that would be great. We set it up for next Friday night at 5 pm.

I had gone to babysit for the Smiths on the wrong night. Instead of finding them at home, I accidentally walked in on Mr. Smith sitting in the family room, masturbating to a porn video. His wife and kids were out shopping and wouldn't be home until later.

"Would you like to touch it?" Mr. Smith asked, noting my wide-eyed astonishment as I stared at his erection. He sort of pushed it into my hand, and I held it lightly and squeezed it, feeling it swell and throb in my palm. It was way thicker than my boyfriend's and several inches longer. The head was bulging and reddish, and a gooey drop of pre-cum oozed from the tip.

He settled back on the sofa, and I sat next to him as if my right hand was attached to his cock. I'm a small girl, only five feet tall and 90 pounds, but I'm toned and healthy, and I could tell Mr. Smith appreciated my body by the way his hand started rubbing my leg. I was wear-

ing loose gym shorts, so he was able to run his fingers right up under the material. When his finger started probing at my cotton panties, I felt a juicy flow of tingles deep in my pussy. I was already excited by the look and feel of his big, man-sized cock, and when his middle finger sluiced up my little hole, I moaned and spread my legs wider.

“Have you ever been fucked, Tara?” he asked, fingering my tight snatch.

“Of course!” I said, as if the question were silly. I made it sound like I was way experienced, but the fact was that I had only just done it for the first time with my boyfriend a few weeks back after my eighteenth birthday.

I stared at Mr. Smith’s huge cock, stroking it up and down, unable to fit my fingers entirely around the bulging shaft. I couldn’t help wondering if my tender little pussy could take such a monstrously huge organ, but the thought of it was like a challenge. “Would you like to fuck my tight pussy?” I asked.

He got this goofy grin, and the next thing I knew, he slipped off my shorts and panties and directed me to kneel on the couch with my butt stuck up in the air facing him.

“Oh, lord, that’s fantastic,” he said. I felt his big poker rubbing against my soft, rounded ass-cheeks. It felt like he was sliding a rolling pin over my ass, it was so thick and long. He leaned into me, bunching his hands up under my T-shirt and feeling my small, firm little boobs. “Are you ready for me?”

“Yes,” I sighed, rotating my ass back against his cock. I felt the fat head push against my opening. He grabbed my hips for balance and shunted the oozing tip forward.

“Oh, Mr. Smith,” I gasped, clutching the throw pillows with both hands. “I think it’s too big!”

“Just relax,” he said in a smooth voice that took all my worry away. The pressure kept building, but a few seconds later, my pussy slowly started to fill with cock-meat. I could feel my tender walls expanding around him as he penetrated my narrow tunnel, riding into me steadily and firmly, helped along by my own wetness. It felt like it would never stop gliding in, and the sensations that buzzed through my crotch flashed out to the rest of my body. Just when I felt like I couldn’t take any more of him, his hairy balls mashed against my smooth

ass-cheeks. I knew that my pussy contained every millimeter of his enormous prong.

"Shit! You're so fucking tight!" he grunted, holding himself still, allowing my little pussy time to adjust.

I never felt so packed and full in my life. It literally took my breath away. The only thing I could do was make these little cooing sounds. He started to build up a slow rhythm that soon had me tossing my ass back at him with reckless abandon.

"Oh, yeah. Fuck me, Mr. Smith!" I cried out, amazed that I had not only adjusted to the massive intrusion, but had also responded by urging him to drive into me deeper and harder. I felt little jolts of lightning as he began to pound into me with renewed vigor.

"Yeah, baby, I'll fuck you good!" he said, plowing into me with full force.

His balls were slapping loudly against my butt as my pussy caught fire and started to spasm and squeeze his thrusting cock. I had never climaxed with a cock inside me, and it was the greatest feeling in the world, like an explosion of firecrackers

in my hot pussy. He made me come at least three times, fucking me like some hard-driving machine, his cock so wet and slick from my juices that it made a squeaky, sloppy sound with every stroke.

"Does your boyfriend fuck you like this?" he asked.

"Oh, god, no," I cried out as he palmed my butt-cheeks and slammed down hard with his cock.

We changed positions, this time with me on my back. Mr. Smith looped my legs back so that my feet were pressing into the sofa by my ears. Then he really went to town, jamming me like some speed freak until I finally saw his face redden and his neck muscles get all stiff. Then his cock started to spurt cum deep into my pussy, and I came again and again just from how intense it all felt. He was gasping and sweating like he had run a marathon by the time it was over.

I curled up in his arms afterward, but then things got confusing because Mrs. Smith pulled into the driveway and we had to scramble like crazy to get dressed.

A virgin signs up for swimming lessons and learns a "hole" lot more!

I liked the taste. But I don't get it I knew I was going to lose my virginity the summer I turned 18. I didn't know exactly how it would happen, seeing as how I didn't have a boyfriend, but I knew I'd figure something out. I decided the first step was to take private swimming lessons, so I could go to the pool a lot and look sexy and fuckable in a tiny bikini.

As soon as I met my instructor, all bleached-blond hair and bulging muscles, I realized I had a chance to take care of my little "problem" right then! Johnny spent the first 10 minutes staring at my barely covered titties and the second 10 minutes feeling me up while he pretended to teach me how to float. By the time we were almost done with the lesson, I was backed up against the side of the pool, and he had his fingers on my bikini-covered crotch, stroking

my little nub through the fabric.

What with Johnny's probing fingers plus the fact that I was soon going to have a cock in my virgin pussy, I was already gushing. I was glad we were in the pool, so he couldn't feel how wet I was! But of course, as soon as he slipped his finger under my bikini, he could feel the slickness of my hole.

He didn't seem to mind. As a matter of fact, he seemed to like it. He pulled my bikini to the side and diddled me a little; I felt the cold water hit my clit. He started kissing me then, and I reached for his cock under the water. I was a little scared when I felt how big and swollen he was, but it made me excited, too. Pretty soon I was stroking on him through his trunks and wondering how I was going to get his cock out.

Johnny solved that problem by raising himself onto the ladder and peeling off his bathing suit before sitting on the step. He kind of grinned at me when I got between his legs and stood on a lower rung. I'd never sucked a guy's cock before, but I'd read about it, and I was ready to see if cock tasted as good as I'd heard!

Johnny groaned a little as I took him in my mouth. His skin was soft and

still chilled from the water. I opened my mouth wider and let his shaft slip as far into my mouth as I could. I'd read that guys really liked to be deep-throated, and it sure seemed like Johnny did. He pushed himself into my mouth, and even though it was hard to get him all in, I sure liked what it was doing for Johnny.

Pretty soon he was pushing himself in and out of my mouth really fast. I was a little worried that he'd want to come in my mouth. Not that I minded—I was dying to taste him—but first I wanted him to pop my cherry!

I didn't have to worry, though. In the next minute he was back in the water, pushing me up against the wall again. Omigod, it felt soooo good when he was kissing me and pressing his hard cock against my thigh. And then his fingers pulled my bikini all the way off and it was my bare pussy he was pushing on. It made me excited to feel his hard knob at my hole like that and pretty soon I was squirming, wanting him to push it in.

That's when he asked me if I was a virgin, and I didn't want to tell him because I was afraid he might stop. But I did, and he didn't seem to mind. He just started pushing real slow into my

tight little hole. At first, it kind of hurt a little, but after a while I started to feel really warm deep inside of me. It was kind of like when I'm touching myself, only a thousand times better.

By the time he'd stuck it all the way in, I was really liking it! Then he started pulling out and pushing back in again, and it felt even better, especially when he started doing it fast. I didn't want to seem too slutty, but I couldn't help moaning a little every time he pushed it in.

He pulled my legs up around his waist and started pumping even faster. Pretty soon I was feeling like I was going to come and I wasn't even touching myself! I felt all warm and tingly inside and then it spread, and all of a sudden, I couldn't stand it anymore. I was coming just like I did by myself, only it felt so much better to have Johnny's cock inside me while it happened.

My pussy was squeezing hard on his cock, and he started to push in and out of me really fast. I knew that pretty soon he was going to shoot his load up into me, so I squeezed harder. Soon he was pumping so hard I thought it would hurt but it didn't, and then he was grunting and I could feel his cock swelling inside of me.

I knew he was coming then, because he was groaning and shoving into me really deep. I kept my legs wrapped around him, liking the way he felt shooting inside me. Also I liked

the way my little clitty felt, still quivering and rubbing up against his belly each time he shoved his cock in. I swear I came again as he pumped me full! And then I was giggling because there we were in the pool and my time was up and I hadn't even learned how to swim! 'Course, I had learned how to have sex, which was even better. Now I go every day to have my "lesson" with Johnny. He says that soon he'll teach me different ways to have sex, like from behind and up the butt. Ooh, I can hardly wait!

WATCHING LISSA

*The young girl next door
regularly puts on quite a show*

The first time I saw Lissa masturbating, I tried not to look, really I did. I mean, Jesus, she's this young girl—I mean, hell, she's only 19—and I know I shouldn't be watching, but she makes it so easy. Her parents' house is right next door to mine, and our bedroom windows face each other, and she never closes her blinds. So when I saw her that day, naked on her bed...well, what was I supposed to do?

She looked so young and vulnerable. Her tiny titties stuck straight up

as her hands trailed up and down her sweet body, and I swear I saw her nipples wink at me. Baby-buds, that's all they were, but they got harder as her fingers stroked their way over her flesh.

Her eyes were closed, and her straight brown hair framed her face as she touched herself. Of course, I felt my cock rise in appreciation of her fine, lithe body, but I held out. At least until I saw her fingers trail their way across her almost-hairless slit, her fat pussy-lips puffy and so inviting. I watched as she lightly caressed the smooth lips, delicately teasing the sensitive flesh with her fingers.

That's when I reached for my cock and found myself hard and hot. Without thinking I began to stroke myself, my fingers caressing the warm skin just as Lissa's were doing. I felt myself twitch as she reached down with one hand, spreading the lips of her succulent pussy to my gaze.

I could see her girl-juice dripping from her teenage pussy, and I licked my lips, aching to bury my face between those firm, young thighs and lap at that sweet cream. Instead I contented myself with long, steady strokes on my cock as Lissa began to toy with her little nub. I watched in amazement as she teased it from its confines with short, loving strokes, until her girl-nubbin stood straight up.

She spread her legs even wider, then, and licked her own lips as a light

sheen of sweat broke out on her upper lip. Letting loose her tiny clit, she brought her hand to her mouth and sucked one finger in deep. I groaned, imagining that it was my cock parting those full lips and dipping into the wet recesses of her mouth. Her finger wet with saliva, she trailed it round one perfectly formed nipple, and I watched as it sprang to immediate attention. Almost idly she toyed with the hard nubbin as her other hand kept her succulent pussy-lips spread.

Then her fingers were in her mouth again, and I couldn't help but think of her tongue on my cockhead, lapping the pre-cum from my oozing slit. This time, though, after she'd sucked her fingers in deep, she brought them lower. She circled her swollen clit with fingertips that dripped with wetness, and her hips pressed upward as she flicked at the tender nub. My own hips clenched, and I strained forward, wanting desperately to caress those gleaming pussy-folds with my cock, wishing I could spread them wide with my fat head and rub my shaft all along the glistening flesh. My fist began to pump as I watched Lissa trail her fingers lower now, groping toward her wet slit.

Arching suddenly, she speared her

pussy with three fingers, and I saw a grimace of pleasure cross her face at the sensation. The thought of her pussy clenching hard around those invading fingers made me dizzy with lust. She began to fuck herself with her fingers then, shoving them in deep before withdrawing those soaked fingers and plunging them back in. My cock swelled under my fingers as I began to pump harder, imagining that it was my cock buried deep in the recesses of her wet pussy, pounding in and out of her tight hole.

Lissa began to sweat more freely, as did I, as her fingers moved upward again, flicking at her engorged clit now with a frenzy. Her hips bucked up under her ministrations, and I saw her mouth open in what surely had to be a moan. I let out a moan of my own as I stroked harder, feeling my balls begin to clench against my body.

Lissa let out a scream then, a sound so loud I could actually hear it even through our respective closed windows. She began to shudder, her fingers working frantically over her clit as her ass arched high off of the bed. I saw her entire body clench as she took herself over the edge, her head thrashing wildly from side to side.

With a muted groan, lest she hear

me, I felt my own cock explode into my fist, and I shut my eyes briefly as my jizz began to spray. My balls clenched, unleashing their fury as my hand pumped my spewing rod, and I felt the release pour hotly out of me. Manhandling my spewing cock, I milked the spunk from my still-engorged rod, imagining that it was filling Lissa's sweet pussy.

When I opened my eyes, I saw the cream dripping thickly down the window pane, and, farther, Lissa reclining easily, her fingers now idly trailing up and down her body as before. A small smile played over her face as I watched her breathing slow, until I saw that she was sleeping soundly, her fingers resting slightly on her wet pussy.

After that time I swore I'd never look again, but of course I do. I wait for her, cock at the ready, and she never lets me down.

Sometimes I wonder if she knows I'm there, watching her, and spraying my load as I see her take her own pleasure. But most of the time, I think that she's oblivious to anything but her own quivering pussy. Either way, I don't much care. I just want to watch Lissa come, as long as the show goes on.

— *Les, Missouri*

Bailey was looking over her notes for her test in the morning.. Her friend Alex was trying to help her go through them. Unfortunately, her ass was getting his attention and not her notes. Soon, it wouldn't be long before the notebook ended up on the floor, as did their clothes and her focus was now on his cock, and his on licking her pussy. Minutes later they were in a full blown heat exchange that lasted for hours, ending in a foaming mouthful of hot jizz for sweet-ass Bailey.
